## CAMP P.5-6

### Best camping on earth! Go camping in nature

The campsite is located at the mouth of the Okukubi River, where mangroves inhabit, and is surrounded by *Casuarina equisetifolia* trees planted for wind protection. At night, the campsite offers a starry sky, the sounds of insects, and the calming river.

## COTTAGE P.7-8

### The Ryukyu red-roof cottages, set against the blue sky

The Ryukyu red-roof cottages symbolize NATURE MIRAI, reflecting the Okinawan culture through the vivid contrast between the blue sky and the vermillion tiles. The cottages are gently illuminated at night to blend with the natural surroundings.

## ACTIVITIES P.9-10

### Engaging in activities is the best way to learn!

Engaging with nature, interacting with people, and witnessing culture and history firsthand are the most valuable forms of learning. At NATURE MIRAI, we provide an array of experiential programs.

## Coworking P.12

### A work environment that allows for rejuvenation!

Working in a coworking space with a changed environment can boost your focus, creativity, and offer a refreshing experience. Strive for increased productivity in the natural setting of Kin Town!

## BBQ • Buffet P.11

### Savor Okinawan ingredients in nature!

Feeling the sound of the ocean and the breeze under the sky surrounded by nature and savoring the delicious smell of food being grilled with your nose is the best part of barbecuing. We offer several set menus that allow you to taste Okinawan ingredients.

## 3 factors behind NATURE MIRAI's popularity!

### Point 1 Convenient location & accessibility

You'll arrive in about 10 minutes after exiting the highway, making it easy to enjoy outdoor activities.

### Point 2 Reasonable prices

Facility usage fees are very reasonable compared to other outdoor facilities.

### Point 3 Staff on-site

The facility is staffed 24 hours a day, so you can feel safe even at night.

## ACTIVITIES

### Engaging in activities is the best way to learn!

Life's most valuable form of education comes from connecting with nature, people, history, and culture. At NATURE MIRAI, we provide a range of options suitable for both children and adults. These include engaging in natural activities like Mangrove/Canoe Adventures and Rice Field Play and immersive cultural experiences that allow you to delve into Okinawa's rich heritage.

#### Recommended Activities

### Mangrove/Canoe Adventures

The estuary of the Okukubi River, which flows beside NATURE MIRAI, is home to mangroves such as those called in Japanese Ohirugi, Mehirugi, and Yaeyama Hirugi. Due to its role as a habitat for diverse organisms, it has been designated as an important wetland in Japan.
